JGBS Summer Internship Report 2021

I have great pleasure in informing you that Jindal Global Business School (JGBS), O.P. Jindal Global University (JGU) has secured 96% Summer Internship Placements. At **Jindal Global Business School**, JGU Summer Internship commences from the first week of June till the end of July. It is mandatory for all the programs, i.e., Master of Business Administration (MBA), Integrated BBA (Hons) + MBA- (IBM) & Bachelor of Business Administration (BBA). Students devote a period of two months in augmenting their theoretical learning with practical experience by interning in the corporate world, NGO, Think Tank & Foundations where they work on a live project, under the active guidance of two mentors: Corporate and Faculty. This helps them comprehend the managerial implications of the learning acquired thus far/identify the gaps and discover their areas of interest/core competency and explore future career options.

The school ensures that the projects are meaningful/skill based and have a tangible value for the organization as well as for the students. An internship develops core knowledge for students which help them be better prepared not only for the specialized electives and final placements, but also for their ultimate organizational roles. The industry exposure is even more significant for freshers as they get hands-on real-time experience with the corporates which builds their confidence and puts their abilities/potentials to test.

JGBS Student Internship Nos.

Total	**732**
Interested/Eligible	**615**
Placed	**589**

Key profiles offered:
Equity research | Corporate communications | Marketing, Sales and distribution | Content development | Psychology | Geopolitical research | Accounting and Finance | Social and volunteer work and more.

The internships were duly implemented by JGBS through various phases of planning, which included Batch meets, interest-mapping, consultations, and various levels of communications with students. Most of the internships are being carried out online/virtual owing to the Pandemic. JIF 4.0 Organized by the OCS played a pivotal role in achieving our numbers. The remaining students will be opting out from the current cycle and do it in winters after due approval from the Dean.

I would like to particularly thank and appreciate the leadership Team of the JGBS/ Faculties and the entire team. I would also like to appreciate the contribution of each member of Office of Career Services.
