

Biography

Prof. Ajitesh Mullick is a highly qualified professional, holding a CFA and a PGDBA from ICFAI Business School, Kolkata (1997). His educational foundation also includes a B.E. in Metallurgy from Jadavpur University (1993), complemented by specialized banking certifications (CAIIB and JAIIB).

With over 30 years of diverse experience, he has excelled across the financial, banking, and education sectors. His career includes significant roles as a financial market expert at Religare and a Banker at Bank of India. He has also dedicated over five years to being a passionate educator and counsellor for competitive exams at institutions like Byju's and Professional Tutorials.

Prof. Mullick is an award-winning market analyst, having been recognized as the Best Market Analyst on an all-India basis twice – once by Zee Business and then by CPAI (Commodity Participants Association of India). These accolades highlight his deep expertise in fundamental and technical commodities market analysis, strong research, and effective communication. He has been a frequent contributor to top financial publications (including *Economic Times*, *Business Standard*, and *Financial Express*) and a regular guest on financial news channels like Zee Business and CNBC Awaaz.
