IMAANDAAR: UNLOCKING THE SEMANTICS

I – International

Reflects the global outlook of the academy, fostering international mooting, cross-border dispute resolution, and transnational legal education.

M – Mooting

Represents the heart of legal training—reasoned advocacy, structured argument, and the development of courtroom skills.

A – Advocacy

Encompasses the art and ethics of persuasion, both written and oral, essential for lawyers, arbitrators, and negotiators.

A - Adjudication

A unique phrasing to highlight the solemnity and responsibility of decision-making, akin to judicial processes and arbitration panels.

N – Negotiation

Honours the non-adversarial path to conflict resolution, emphasising mutual gain, diplomacy, and constructive dialogue.

D & A – Dispute Adjudication

Centers the academy's focus on the adjudication of disputes—be they commercial, civil, constitutional, or cross-cultural.

A – Arbitration

A nod to India's growing role in international arbitration, and IMAANDAAR's commitment to becoming a training hub for arbitral excellence.

R – Resolution

Reiterate the academy's highest goal: peaceful, fair, and just resolution of conflicts through principled means.
