

The First Online Certificate Executive Education Programme with Power Grid Corporation Ltd Launched by JILDEE

Jindal Institute of Leadership Development & Executive Education successfully organized a 4-day online certificate program in collaboration with Jindal Institute of Behavioural Sciences on "Mastering your time, Mastering your life". The program was conducted for 25 officers of the Maharatna Public Sector Undertaking, Power Grid Corporation of India Limited under the leadership of Dr. Sanjeev P Sahni, Principal Director, JIBS, Professor &

Member, Governing Body, Advisor to the Vice-Chancellor. The online program was inaugurated by Lt Gen Rajesh Kochhar - Senior Director of JILDEE and the session started with opening remarks by Mr. Amit Mohapatra, Joint Director, JILDEE with a brief introduction to the student officers on OP Jindal Global University & JILDEE followed by course structure, faculty profile, and participant guidelines. The faculties and the content were handpicked and the right pedagogy made this program great online learning to remember. The topics in the program include Maximizing Human Potential, Effective Communication, Proactivity in Crisis, Emotional Intelligence, Time

Management, Understanding Subjective Well-being for an effective relationship, and Mindfulness of Balanced Life. All the sessions were moderated through live video interactive streaming with the officers from all across the Power Grid offices in India. The valedictory function was also conducted online wherein the participants were given the first online certificate in presence of JIBS faculty members and JILDEE team.

JILDEE presented an e-certificate to all the participants on the successful completion of the program. The feedback from student officers was excellent. The program very well coordinated by team members, Mr. Sidharth Verma, Manager, and Mr. Vishwas Bhatia, Deputy Manager - JILDEE. JILDEE successfully concluded its first online executive education program.
