

## JILDEE launches first online certificate executive education programme with Power Grid Corporation Ltd

June 5, 2020: Recently, Jindal Institute of Leadership Development & Executive Education concluded a four-day online certificate programme on 'Mastering your time, Mastering your life' in collaboration with Jindal Institute of Behavioural Sciences. Over 25 officers from Maharashtra Public Sector Undertaking, Power Grid Corporation of India Limited participated under the leadership of Dr Sanjeev P Sahni, Principal Director, JIBS. The topics in the programme included Maximizing Human Potential, Effective Communication, Proactivity in Crisis, Emotional Intelligence, Time Management, Understanding Subjective Well-being for effective relationship and Mindfulness of Balanced Life. All sessions were moderated via live video conferencing with officers in the Power Grid offices across India. The valedictory function was also performed online, in the presence of JIBS faculty and the JILDEE team, where the participants received their first certification online. JILDEE presented e-certificate to all the participants on the successful completion of the programme
