MR. KEERTI PENDYAL

Jindal School of Banking & Finance
LECTURER

SPEAKER

ABOUT THE WORKSHOP

The purpose of this workshop is to kickstart a study group/study circle where students who are preparing for CAT, GMAT, GRE, and other entrance exams can get together to get their doubts cleared and to help one another with material, strategies, and tips. I would be actively involved in the workshop throughout and sharing my experiences to help and guide students who are giving these exams this year (short term strategies) as well as students who are planning to do so in the following years (longer duration preparation strategies). In the immediate future, before CAT 2020, our focus will be on students who are giving the exam this year and help clarify immediate conceptual doubts, doubts regarding test taking, and calming the nerves of the students as the exam day approaches.
