Bio of Speaker

Dr. Sundararaman Chintamani is a Design Thinking Evangelist to help the individual innovators and corporate organizations to improve their problem-solving capability to improve their profits. He has 35 plus years of experience covering hard core plant operations and IT services. At present he is the founder and CEO of Jignyashika. He delivers keynote speeches and conduct workshop on Design Thinking, Mind-mapping, Power of Creativity and Public Speaking Skills. Dr. Sundararaman is an "Idea Lover" and keep thinking on innovative ideas. In all the organizations she has have worked, he has contributed to the suggestions schemes and idea junctions and won several awards. That's how he started showing interest towards Design Thinking and now become a Design Thinking Evangelist. Dr. Sundararaman is a chemical engineer by qualification and has completed my PhD on "Developing Cybersecurity Mandate for Indian Oil and Gas industry from University of Petroleum and Energy Studies, Dehradun. He is a visiting faculty for few of the Indian petroleum universities and few of the business schools in India. Dr. Sundararaman is part of Toastmasters Internationals since 2008 and became a Distinguished Toastmasters (DTM) the highest education credential of Toastmasters.

Being a Design Thinking Evangelist and a Toastmasters, Dr. Sundararaman always thinks from customer's / stakeholder's perspective and hence offer this webinar on Presentation Mastery keeping the audience in mind.
