

12th Day of APRIL 2022 was a happy moment for **OP JGU-JILDEE** to have signed an **MoU** with the **PHD Chamber of Commerce and Industry** to strengthen ties between industry and academia by promoting entrepreneurship and training both for working professionals, MSME, SME, and OPJGU Students.

Both JILDEE and PHDCCI have collaborated to bridge the gap between industry and academia by providing knowledge dissemination programmes through training, webinars, workshops, seminars, conferences, and related events. This initiative is majorly taken to promote research and consultancy and utilize the intellectual capital of both OP JGU and PHDCCI, which is of relevance to the industry, thereby cultivating a sense of joint ownership among the Faculty, Trainees, and Students.

PHDCCI will also be exposing the OP JGU students to the new nuances of the industry with special emphasis on startup initiatives of NITIAYOG.

The MoU was signed in the august presence of Mr. Saurabh Sanyal, Secretary-General, PHD Chamber of Commerce and Industry & Dr. Jatinder Singh - Asst General Secretary, from PHDCCI and Mr. Amit Mohapatra - Director JILDEE, Mr. Palash Sen - Deputy Director JILDEE from OP Jindal Global University.

JILDEE has been conducting capacity-building training programmes for working professionals both in Govt Sector and Public Sector Undertakings since its inception in 2013. It has also extended its spectrum of training with the Private Sector in the recent past and has been getting good responses from L&D departments of organizations.

We look forward to forging new areas in the corporate training initiatives with this MoU and further enhancing the brand and its visibility in the Industry.
