

JOB DESCRIPTION: ASSISTANT PROFESSOR – ARCHITECTURE with INDUSTRIAL/INTERIOR/ URBAN/SUSTAINABLE DESIGN AT GRADUATE LEVEL

The Jindal School of Art and Architecture (JSAA) at the O.P. Jindal Global University, invites applications for a position **at the rank of Assistant Professor (full time) beginning August 1, 2023.**

JSAA seeks applicants who have their undergraduate coursework in a professionally accredited architecture program in their country of residence with a master's degree and professional experience in industrial/interior/ urban/sustainable design. We are looking for candidates whose post-graduate training has been multi-disciplinary, and ones that are interested in exploring multiple facets of their expertise.

Candidates would be expected to teach undergraduate studios and seminars, while also demonstrating a keen interest in developing coursework and contributing towards evolving the curriculum. Given the inter-disciplinary nature of pedagogical practices at JSAA, candidates will be expected to teach students of architecture as well as students from across various design majors, and thus, develop coursework in a manner that highlights both the collaborative and inter-disciplinary nature of any design practice. Candidates will be expected to serve on school committees.

Required Qualifications

- Professionally Accredited Bachelor of Architecture degree and Registration in India or their country of residence.
- Master's degree in relevant field. Candidates who have a doctoral degree in a listed area of interest or an allied field, and are active in research, will be given preference.

Desired Qualifications

- Ph. D. in a relevant field
- A minimum of two (2) years of professional experience in practice and/or academia is required after Master's degree.
- Relevant college-level teaching experience and an established or emerging trajectory for scholarly work.

How to Apply

Interested Candidates can send their application package with the following material to deanjsaa@jgu.edu.in **before the 31st of January, 2023.** Please put the following in the subject line: **application for assistant professor – architecture with industrial/interior/ urban/sustainable design at graduate level**

- Cover letter
- Current CV with the name of at least three professional/academic references and their contact information.
- A Teaching and Research Statement (Not more than 250 words)
- Portfolio of Professional work (do not include student work)
- Two sample course outlines.

About The School

The Jindal School of Art and Architecture is founded with the vision to become one of the foremost schools of learning of the visual, material and the built environments. The School is committed to developing an academic environment that is intellectually rigorous, interdisciplinary, innovative, and creative.
