O.P. Jindal Global University (JGU) is a non-profit global university established by the Government of Haryana and recognised by the University Grants Commission (UGC). JGU was established as a philanthropic initiative of its Founding Chancellor, Mr. Naveen Jindal in memory of his father, Mr. O.P. Jindal. JGU is one of the few universities in Asia that maintains a 1:9 faculty-student ratio and appoints faculty members from India and different parts of the world with outstanding academic qualifications and experience. JGU is a research intensive university, which is deeply committed to its core institutional values of interdisciplinary and innovative pedagogy, pluralism, rigorous scholarship and globalism, and international engagement.

JGU has established 12 schools: Jindal Global Law School (JGLS); Jindal Global Business School (JGBS); Jindal School of International Affairs (JSIA); Jindal School of Government and Public Policy (JSGP); Jindal School of Liberal Arts & Humanities (JSLH); Jindal School of Journalism & Communication (JSJC); Jindal School of Art & Architecture (JSAA); Jindal School of Banking & Finance (JSBF); Jindal School of Environment & Sustainability (JSES); Jindal School of Psychology & Counselling (JSPC); Jindal School of Languages & Literature (JSLL) and Jindal School of Public Health and Human Development (JSPH). JGU has been granted "autonomy" by the University Grants Commission and the Ministry of Education, Government of India, for receiving the "A" Grade from the National Assessment and Accreditation Council (NAAC). This makes JGU the only private university in the state of Haryana and one of the only two private universities in India to be given the status of autonomy.

JGU has emerged as India's No. 1 Private University for the third year in a row, according to the QS World University Rankings 2023 and was ranked among the Top 700 universities in the world. We are also among the Top 150 universities globally under the age of 50 years by the QS Young University Rankings 2022. JGU has also been recognised in the Top 500 Universities as per the QS Graduate Employability Rankings 2022. In September 2019, JGU was selected as an 'Institution of Eminence' (IOE) by the Government of India, making JGU one of only eight private universities in India to be awarded this status.

The Global B.Com. is the first programme being launched under the India Australia Global Education Initiative. The programme will offer innovative models of global education, training, and research for students in India. It aims to provide opportunities for Indian students to have an international campus experience. Students will commence studies with JGU in India and subsequently transfer to Deakin University campus in Australia.

JGU is committed to bringing world-class education to Indian students in Social Sciences, Arts, and the Humanities. The Global B.Com. offered in collaboration between JGU and Deakin University promises an education experience that blends the best of both institutions through an industry-relevant education portfolio, world-class faculty, and dynamic learning environment on the campuses of JGU in India and Deakin University in Australia. The unique portfolio of two undergraduate degrees from both institutions and a master's degree from Deakin will ensure that graduates have an incredible opportunity to learn and grow in two international university systems.

WHY STUDY THIS PROGRAMME?

Over the past several decades the finance industry has undergone a tremendous change in the way it functions. Crises of past decades, the emerging role of fintech and the innovative financial instruments have challenged the very existence of the traditional notion of the finance industry. Moreover, there is a growing need to narrow the gap between industry-relevant training and rigorous finance education that recognizes the challenges of the finance industry. This programme attempts to bring contemporaneous developments in the finance industry to the classroom learning experience and provide an in-depth understanding of the numerous facets of financial decision making.

The main objective of the programme is to equip students with the acumen and tools for impeccable financial decision making. Students can then deploy this knowledge to manage investments, construct asset portfolios, trade in stock markets, manage risk and wealth, among others.

M.Sc. Finance builds on the expertise of the world-renowned faculty and practitioners from the Jindal School of Banking & Finance (JSBF) specialising in:

Consumer Behaviour

Financial Modelling

Finance & Risk Management

Portfolio & Investment Analytics

Fintech & Analytics

Ph.D Finance

JGU's Ph.D. program in Finance provides students with a solid foundation in the theoretical, empirical, and behavioural tools of modern finance. We prepare students for careers in research, teaching, and industry at the world's leading institutions.

The program focused on traditional finance topics like Corporate Finance, Global Finance, Financial Markets and Instruments, Asset Pricing, and Portfolio Management. The world of Finance is rapidly evolving and scholars will have opportunity to explore new areas relating to behavioural finance, entrepreneurial finance, FinTech, Decentralized Finance, and new forms of digital currency.

JGU's Banking & Finance faculty is recognized as one of the finest in India. Our faculty has conducted research in cross-disciplinary areas of development economics, Intellectual property, green finance, and actuarial model impacts. Some of the specific areas that our faculty have conducted empirical and theoretical research include:

**Auditors and
Earning quality**

**Corporate Capital
Structure Decisions**

**Dynamics in
Financial Markets**

**Bank efficiency
and productivity**

**Creditor right and
corporate leverage**

**Financial Contracting and
Information Asymmetry**

**Financial
Fragility**

**Financial Intermediation
and Banking**

**Financial
well being**

As a Ph.D. in Finance student, you will explore, cultivate, and sharpen your research interests from day one-wherever they lead you. You will develop your ability to conduct meaningful research that advances knowledge creation and its application in real world settings. You will graduate with a PhD in Finance and acquire the tools to achieve academic and professional success.

Candidates with undergraduate training in economics, finance, mathematics, engineering, statistics, and other quantitative disciplines have an ideal background for doctoral studies in this field.

Ph.D Finance

WHY ENROL IN Ph.D FINANCE?

With original scholarship, basic and applied research, and creative instructors, JSBF attracts an outstanding selection of uniquely qualified students from throughout the region and the world. Being a part of the programme confers a number of advantages in terms of:

-  **Active and multidisciplinary research community**
-  **Interdisciplinary interactions with eminent scholars within and outside JGU**
-  **International research collaboration with our partner universities globally**
-  **Opportunity to be a teaching assistant alongside research experience**
-  **Generous research fellowships for deserving candidates**
-  **Opportunities to attend prestigious global conferences and academic paper presentation**

PROGRAMME OBJECTIVES

This is a research-intensive programme that lends a solid grounding to students in practical and applied areas of finance. The programme is designed to prepare future professionals for challenges that require an integrated view of the inner-workings of financial markets and institutions. In addition, students can expect to gain a thorough understanding about financial decision-making and its modelling. Students will develop the ability to independently analyse and formulate research questions to propose and implement creative solutions for contemporary issues faced by decision-makers, entrepreneurs and financial market participants. Our objectives are to:

-  **Introduce students to the role of finance & technology in BFSI**
-  **Develop research ideas in the areas of investment, portfolio design and trading**
-  **Train students to conduct industry and society-relevant research**

B.Com. (Hons.) | 2022-25

Delhi Public School,
Gurugram

I joined OP Jindal Global University with a very open mind. I chose BCom (Hons) and I am totally satisfied with the quality of teaching and the ease with which our experienced professors have formed a rapport with each of us. Our classes are very interactive, and our professors help us to open our minds and think out of the box.

John Priyan Roy

B.A (Hons.) Finance & Entrepreneurship | 2022- 2025

Abacus Montessori School,
Chennai

Having spent one semester here, I could not have been happier with the course and campus life elsewhere. I opted for the B.A.(Hons) Finance and Entrepreneurship course as it provides a holistic approach in various fields like banking, finance, technology, and entrepreneurship. The array of course options we have for electives gives us broader exposure beyond our chosen specialization. We have young staff who are updated, friendly but task focused. Study life is vibrant and refreshing with advanced libraries. Other than academics, the campus is extremely beautiful, filled with greenery and cute dogs and cats. Lastly, as a football player, I have been given the opportunity to showcase my skills at numerous matches like the J league. Additionally, the university offers a wide range of sports, societies, and clubs which students can be a part of.

The exposure Jindal global university has provided me with my time here on campus has already been abundant. The university directs a lot of importance to international experiences. The vast infrastructure and safe housing propelled me to choose Jindal Global University for my undergraduate studies.

Aaditya Narain Singh

Global B. Com. | 2022-25

Mayo College,
Jaipur

During my A levels my interest was in several topics, however I wasn't sure which type of industry and career path I saw myself in. I chose to study Global B.com. as this was one topic, I was most enthusiastic about. This gave me the global exposure I was looking for. After pursuing this degree, you can join any MNC and look after their marketing, finance, or business operations overseas.

B.A. (H) Finance & Entrepreneurship | 2022-25

Maharaja Sawai Man Singh Vidyalyaya,
Jaipur

O.P. Jindal global university has emerged as one of the best universities in the country where students are being taught by a brilliant array of teachers with a fascinating campus life. The course that I opted for offers a very comprehensive and integrated perspective, opening doors to many dynamic fields like corporate finance, and commercial banking. The advanced fusion of subjects that this course provides assures me that I shall be guided toward a path which will foster my intellectual excellence and all-rounded personal growth.

Mahek Saket Shah

B.A. (H) Finance & Entrepreneurship | 2022-25

Cathedral and John Connon School,
Mumbai

I opted for B.A. (Hons.) Finance and Entrepreneurship course which integrates the fields of management, technology, finance, and entrepreneurship. The professors here are approachable, understanding and easily accessible. There are various offices that help students in matters of research, internships, and industry engagement. Campus life is always rejuvenating and lively by means of fests, movies, and karaoke nights, sports matches, etc.
