JGU | O.P. JINDAL GLOBAL UNIVERSITY

O.P. Jindal Global University (JGU) is a non-profit global university established by the Government of Haryana and recognised by the University Grants Commission (UGC). JGU was established as a philanthropic initiative of its Founding Chancellor, Mr. Naveen Jindal in memory of his father, Mr. O.P. Jindal. JGU is one of the few universities in Asia that maintains a 1:9 faculty-student ratio and appoints faculty members from India and different parts of the world with outstanding academic qualifications and experience. JGU is a research intensive university, which is deeply committed to its core institutional values of interdisciplinary and innovative pedagogy, pluralism, rigorous scholarship and globalism, and international engagement.

JGU has established 12 schools: Jindal Global Law School (JGLS); Jindal Global Business School (JGBS); Jindal School of International Affairs (JSIA); Jindal School of Government and Public Policy (JSGP); Jindal School of Liberal Arts & Humanities (JSLH); Jindal School of Journalism & Communication (JSJC); Jindal School of Art & Architecture (JSAA); Jindal School of Banking & Finance (JSBF); Jindal School of Environment & Sustainability (JSES); Jindal School of Psychology & Counselling (JSPC); Jindal School of Languages & Literature (JSLL) and Jindal School of Public Health and Human Development (JSPH). JGU has been granted "autonomy" by the University Grants Commission and the Ministry of Education, Government of India, for receiving the "A" Grade from the National Assessment and Accreditation Council (NAAC). This makes JGU the only private university in the state of Haryana and one of the only two private universities in India to be given the status of autonomy.

JGU has emerged as India's No. 1 Private University for the third year in a row, according to the QS World University Rankings 2023 and was ranked among the Top 700 universities in the world. We are also among the Top 150 universities globally under the age of 50 years by the QS Young University Rankings 2022. JGU has also been recognised in the Top 500 Universities as per the QS Graduate Employability Rankings 2022.

In September 2019, JGU was selected as an 'Institution of Eminence' (IOE) by the Government of India, making JGU one of only eight private universities in India to be awarded this status.

JINDAL SCHOOL OF INTERNATIONAL AFFAIRS | JSIA

Jindal School of International Affairs (JSIA) is India's first global policy school. JSIA has been offering a 3-years B.A. (Hons.) Diplomacy and Foreign Policy programme since 2022. It has been designed as India's first ever interdisciplinary undergraduate degree to train students for international careers through basic learning in world affairs. JSIA has also been offering a 2-year Master's degree in Diplomacy, Law and Business (M.A. DLB) since 2011, a 3-year B.A. (Hons.) Global Affairs programme since 2015, a 3-year B.A. (Hons.) Political Science programme since 2020 and a Ph.D. in International Affairs since 2016. From 2023 onwards, all undergraduate programmes are of 4 years. JSIA has now opened admissions to the 4-year B.A [Hons.] Diplomacy & Foreign Policy programme for the academic year 2023-24, [classes will commence on August 1, 2023].

DR. SREERAM SUNDAR CHAULIA

Professor & Dean,

Jindal School of International Affairs (JSIA)

*B.A. Hons. (Delhi), B.A. (Oxford), M.Sc. (LSE),
M.A. & Ph.D. (Syracuse)*

JSIA's main objective is to generate and spread interdisciplinary social science knowledge that informs current and future international policymaking, via rigorous academic training of qualified graduate students. This dovetails with JGU's overall institutional goal of becoming a knowledge storehouse in the social sciences, which have been long played second fiddle to the hard sciences in Indian academia.

Although the need for building a world class school as a game changer in international studies education in India has been expressed in many quarters, no university has yet walked the talk by creating one. JSIA aims to act as a corrective to the sliding standards of teaching and research in international studies departments and programmes

By attracting internationally qualified faculty members and pooling together minds from a number of inter-related academic disciplines under a single School, JSIA is positioning itself as a producer of knowledge and shaper of careers in international affairs.

International studies in India require a quantum leap in terms of indepth thematic and geographic understanding of world issues. JSIA's cutting-edge research and publications agenda and collaborations with international academic and policy institutions are meant to generate continuous scholarly output on hitherto neglected issue areas that comprise the fast transforming fields of diplomacy and foreign policy

India's voice on global issues must be strengthened via concrete policy contributions to outstanding world problems. JSIA will be a nucleus of this historic agenda.

VISION

The Bachelor of Arts (Honours) in Diplomacy and Foreign Policy (B.A. D.F.P.) is a new four-year degree programme being offered by the Jindal School of International Affairs (JSIA) of O.P. Jindal Global University (JGU) from August 2022. This degree is intended to train high school students with an in-depth, thorough and practical understanding of how foreign policy is conceived, formulated and implemented, and how the individual or allied foreign policies of countries strive to work in harmony based on shared interests, and also deal with countries and non-state actors that pose challenges or threats to them. Diplomacy is called the engine of international politics and this degree programme is a comprehensive learning of all the tracks of diplomacy from traditional to modern, from public to cultural diplomacy, and the links between diplomacy, defence and national interests.

The programme aims to equip students with an overview of various instruments of a state to pursue its foreign policy in a complex and challenging world order at the intersection of a detailed consideration of the constraints and limits it faces in the international domain, emanating from the rise/fall of globalisation, social and economic rights, and communication technologies which are central to media-based public diplomacy. It is the first and only unique Bachelor's degree programme in India which combines the study of related fields of foreign policy in terms of preservation of a state's sovereignty and national interests, decision-making models of national leaders, hard and soft power in a fast-changing world order, and the essentials of statecraft– all combined into a single seamless Bachelor's degree.

DEBATE SOCIETY

The adrenaline rush at the sight of a podium, the sheer love for arguing, the camaraderie within a team, the passion to learn and win, and the innumerable stories embedded in our memories with every passing debate, is what the Jindal Debate Society promises to offer year after year. With a greater level of spontaneity in speeches and emphasis on matter and the skill of fleshing out arguments over matter, the Jindal DebSoc provides a platform to find safe place on campus.

JGU MUN

A Model United Nations conference is a simulation of the proceedings that take place at the headquarters of the United Nations in New York, USA. It is an internationally recognized activity, and regarded as a form of enriching JSIA students with experiences in public speaking and diplomacy. We seek to bring together participants to debate on pressing international issues, express views and intriguing ideas to tackle global conflicts and forge friendships along the way.

HUMAN RIGHTS SOCIETY

Human rights are the fundamental rights one has for survival and dignity. The Human Rights Society, over the years worked primarily through grassroots activism and spreading awareness about the systemic oppression faced by millions of people around the world. We have actively worked in areas of child labor and workers' rights.

We brought Renegades – a rock concert with a cause, Monkey Speak – a free speech magazine facilitated by students, Bal Adhikar Sabha – a round table conference on child rights, juvenile justice, Right to Education and advocacy for the rights of children with disabilities, research work on Right to Education and much more.

DIPLOMANIA SOCIETY

JSIA has established a unique academic initiative – Diplomania, which is the first International Relations Society of O.P. Jindal Global University. It focuses on opportunities and challenges in contemporary International Relations. Since its establishment in the year 2018, Diplomania has organised two successful International Youth Conclaves.

SOCIAL SERVICE SOCIETY

The Social Service Society, conceived in 2009, has come a long way since its inception. We have grown from having one program teaching children of construction workers – to running numerous activities simultaneously, both on and off campus, open to all of the JGU students and faculty community. We are an open society that is committed to ensuring that as many people as possible can benefit from our privilege. Our initiatives include teaching children at the Balgram orphanage, the children of the Sodexo staff, and the children at the Rohat primary and secondary school. We also help the members of the Tulip labor colonies with their problems, and the members of the Rohat village with issues relating to governance.

JGU BOOK CLUB

The JGU Book Club was founded in the year 2014 by Prof. Nisha Nair, and has evolved to be a part of the Literary and Fine Arts Society at O.P. Jindal Global University. It is an exclusive club that promotes love for reading, literature, and creative expression. The club holds periodic book discussions, Author's talks, and panel discussions. In the year 2016, it received an award for 'The Most Promising Initiative' on the University Day. Over the years, the JGU Book Club has been a site of various cultural and literary events in the university. In 2017, the Book Club initiated JGU's first literary festival 'Sahityam'.

THE ENVIRONMENT SOCIETY

The Environment Society aims at making JGU, a green campus. We wish to initiate sustainable alternatives on campus to achieve our goal. In addition to that, we will be working towards creating a sense of awareness with respect to human impact on the environment and thereby change the attitude of students towards sustainability.

ACADEMIC WRITING SOCIETY

The Academic Writing Society (AWS) is established with the intention of promote quality academic writing amongst the students of JGU and to promote reform in the style of writing with a view to deliver publishable articles. The aim of AWS is to serve as a bridge between the ideas of the students and channel them by providing assistance in both style and substance. AWS will have specific days in a month when guided response will be handed to students registered with the AWS. The primary objective of AWS is to promote dialogue among key issues and cater to the ideas of students with a view to deliver publishable material.

JGU SPORTS SOCIETY

The JGU Sports Society strives to inculcate a strong sporting spirit on campus. It works to promote the sporting culture and promote participation in various sports festivals throughout the country. The main objective of the society is facilitating sportspersons on campus to achieve their full potential and to provide a recreational outlet for all students that lays outside a classroom.
