A Private University Promoting Public Service

Jindal School of International Affairs
India's First Global Policy School

BACHELOR OF ARTS (HONS.) GLOBAL AFFAIRS

JGU | O.P. JINDAL GLOBAL UNIVERSITY

O.P. Jindal Global University (JGU) is a non-profit global university established by the Government of Haryana and recognised by the University Grants Commission (UGC). JGU was established as a philanthropic initiative of its Founding Chancellor, Mr. Naveen Jindal in memory of his father, Mr. O.P. Jindal. JGU is one of the few universities in Asia that maintains a 1:9 faculty-student ratio and appoints faculty members from India and different parts of the world with outstanding academic qualifications and experience. JGU is a research intensive university, which is deeply committed to its core institutional values of interdisciplinary and innovative pedagogy; pluralism and rigorous scholarship; and globalism and international engagement. JGU has established 12 schools: Jindal Global Law School (JGLS); Jindal Global Business School (JGBS); Jindal School of International Affairs (JSIA); Jindal School of Government and Public Policy (JSGP); Jindal School of Liberal Arts & Humanities (JSLH); Jindal School of Journalism & Communication (JSJC); Jindal School of Art & Architecture (JSAA); Jindal School of Banking & Finance (JSBF); Jindal School of Environment & Sustainability (JSES); Jindal School of Psychology & Counselling (JSPC); Jindal School of Languages & Literature (JSLL) and Jindal School of Public Health and Human Development (JSPH). JGU has been granted "Autonomy" by the University Grants Commission and the Ministry of Education, Government of India, for receiving the "A" Grade from the National Assessment and Accreditation Council (NAAC). This makes JGU the only private university in the state of Haryana and one of the only two private universities in India to be given the status of autonomy. JGU has made history by breaking into the QS World University Rankings 2021 Edition. We are also the only Indian private university in the top 150 'young' universities in the world (under 50 years of age) in the QS Young University Rankings 2021. JGU is the youngest University from India to feature in both these rankings. In September 2019, JGU was selected as an 'Institution of Eminence' (IOE) by the Government of India, making JGU one of only eight private universities in India to be awarded this status. JGU was ranked in the top 750 universities in the world in the QS World University Rankings 2022 Edition, making it India's No. 1 Private University and India's No. 1 University dedicated to the Social Sciences, Arts and Humanities.

JINDAL SCHOOL OF INTERNATIONAL AFFAIRS | JSIA

Jindal School of International Affairs (JSIA) is India's first global policy school. JSIA has been offering a 3-year B.A. (Hons.) Global Affairs programme since 2015. It has been designed as India's first ever interdisciplinary undergraduate degree to train students for international careers through basic learning in world affairs. JSIA has also been offering a 2-year Master's degree in Diplomacy, Law and Business (M.A. DLB) since 2011, a 3-year B.A. (Hons.) Political Science programme since 2020 and a Ph.D. in International Affairs since 2016. JSIA has now opened admissions to the B.A. (Hons.) Global Affairs programme for the academic year 2022-23 (classes will commence on 2 August 2022).

DR. SREERAM SUNDAR CHAULIA

Professor & Dean,

Jindal School of International Affairs (JSIA)

B.A. Hons. (Delhi), B.A. (Oxford), M.Sc. (LSE),

M.A. & Ph.D. (Syracuse)

JSIA's main objective is to generate and spread interdisciplinary social science knowledge that informs current and future international policymaking, via rigorous academic training of qualified graduate students. This dovetails with JGU's overall institutional goal of becoming a knowledge storehouse in the social sciences, which have been long played second fiddle to the hard sciences in Indian academia.

Although the need for building a world class school as a game changer in international studies education in India has been expressed in many quarters, no university has yet walked the talk by creating one. As JGU's third School– following the Jindal Global Law School (JGLS) and the Jindal Global Business School (JGBS) – JSIA aims to act as a corrective to the sliding standards of research in international studies departments and programmes across India.

By attracting internationally qualified faculty members and pooling together minds from a number of inter-related academic disciplines under a single School, JSIA is positioning itself as a producer of knowledge and shaper of careers in international affairs.

International studies in India require a quantum leap in terms of indepth thematic and geographic understanding of world issues. JSIA's cutting-edge research and publications agenda and collaborations with international academic and policy institutions are meant to generate continuous scholarly output on hitherto neglected issue areas that comprise the fast expanding realm of 'global policy studies'.

India's voice on global issues must be strengthened via concrete policy contributions to outstanding world problems. JSIA will be a nucleus of this historic agenda.

WHY JSIA

SIX REASONS TO STUDY B.A. (HONS.) GLOBAL AFFAIRS

- 01** To acquire a holistic understanding of political theory and greater understanding of international affairs.
- 02** To develop a specialized field of knowledge by choosing one of the several available fields of knowledge tracks.
- 03** To develop an in-depth understanding of a region by opting for various study abroad programmes available with top ranking educational institutions across the globe.
- 04** To apply systematic methodological research and analysis, and to historically contextualize contemporary global events.
- 05** To develop the ability to think, work, study and conduct research independently.
- 06** To develop a wide range of intellectual, practical and language skills which will enable programme graduates to consider a wide range of post-graduation employment options.

PROGRAMME MODALITIES

- The B.A. (Hons.) (Global Affairs) is a 3-year programme. It is an on-campus residential, full-time, five-day-a-week degree programme. Students graduate with B.A. (Hons.) (G.A.) at the end of 3 years.
- Foreign Language training is an essential requirement for residential programme and language classes are offered throughout the duration of the programme. Students have the option of choosing from among Spanish, German, French, Mandarin, Dari and Arabic.
- Optional Fourth Year: Students can opt to continue in JSIA after graduation to study the Masters in Diplomacy, Law and Business and to become eligible to apply to American Universities for a Masters degree.

STUDY PLAN

Year-1 During the first year of coursework, emphasis is on making sure that students acquire strong foundations in the social sciences. They will read the classic texts in Philosophy, focus on key concepts in Economics, and review the main outlines of global politics in History. Most importantly, they will rigorously practice expressing themselves both in writing and in speech to learn how to effectively communicate their ideas.

Year-2 In the second year, JSIA's faculty will begin pushing students to develop solid research and analytical skills so that they can begin to take control over their own learning. The faculty would like them to find something that they are passionate about and become a specialist on it. Students' increasingly advanced coursework will help as they start examining how politics plays out in specific regions of the world. They will also be moving from the general to the more specific as they enter into new sub-disciplines like Foreign Policy Analysis, Conflict Studies, and Development Studies.

Year-3 By the third year, students will be deeply immersed in the intricacies of contemporary global politics. How do individual international organizations work? How do diplomats operate on a day-to-day basis? Are changes in military technology fundamentally reshaping the global balance of power? Under what circumstances is international trade a benefit to societies? What is the role of media in today's networked world? The coursework at JSIA can be supplemented with an international exchange in a different part of the world, which will give students a first-hand experience of the world's diversity.

INTERNATIONAL STUDY OPPORTUNITIES FOR STUDENTS

JSIA provides students with the opportunity to learn from world-renowned faculty from prestigious international institutions. Students can avail of the following kinds of study abroad opportunities:

BA students opting for a dual degree spend their first two years at JSIA and transfer to our partner university for the last two years. At the end of their stint, S/he earns a degree from both institutions. Students have the option of studying at Queen Mary University of London, U.K.; University of Birmingham, U.K.; Geneva School of Diplomacy, Switzerland; and University of Leeds, the U.K.; the University of Edinburgh to earn a dual degree.

DEBATE SOCIETY

The adrenaline rush at the sight of a podium, the sheer love for arguing, the camaraderie within a team, the passion to learn and win, and the innumerable stories embedded in our memories with every passing debate, is what the Jindal DebSoc promises to offer year after year. With a greater level of spontaneity in speeches and emphasis on matter and the skill of fleshing out arguments over manner, the Jindal DebSoc provides a platform to find safe place on campus.

JGU MUN

A Model United Nations conference is a simulation of the proceedings that take place at the headquarters of the United Nations in New York, USA. It is an internationally recognized activity, and regarded as a form of enriching JSIA students with experiences in public speaking and diplomacy. We seek to bring together participants to debate on pressing international issues, express views and intriguing ideas to tackle global conflicts and forge friendships along the way.

HUMAN RIGHTS SOCIETY

Human rights are the fundamental rights one has for survival and dignity. The Human Rights Society, over the years worked primarily through grassroots activism and spreading awareness about the systemic oppression faced by millions of people around the world. We've actively worked in areas of child labor and workers' rights.

We brought Renegades – a rock concert with a cause, Monkey Speak – a free speech magazine facilitated by students, Bal Adhikar Sabha – a round table conference on child rights, juvenile justice, Right to Education and advocacy for the rights of children with disabilities, research work on Right to Education and much more.

DIPLOMANIA SOCIETY

JSIA has established a unique academic initiative – Diplomania, which is the first International Relations Society of O.P. Jindal Global University. It focuses on opportunities and challenges in contemporary International Relations. Since its establishment in the year 2018, Diplomania has organised two successful International Youth Conclaves.

SOCIAL SERVICE SOCIETY

The Social Service Society, conceived in 2009, has come a long way since its inception. We have grown from having one program teaching children of construction workers – to running numerous activities simultaneously, both on and off campus, open to all of the JGU students and faculty community. We are an open society that is committed to ensuring that as many people as possible can benefit from our privilege. Our initiatives include teaching children at the Balgram orphanage, the children of the Sodexo staff, and the children at the Rohat primary and secondary school. We also help the members of the Tulip labor colonies with their problems, and the members of the Rohat village with issues relating to governance.

JGU BOOK CLUB

The JGU Book Club is a two-year-old initiative. It has evolved under the mentorship of Professor Nisha Nair. It is an exclusive society for avid readers. It provides a platform for all intellectual minds to come together in evenings of pure imagination. If reading is one's passion, then one can mingle among its kind. As a society that aims at reviving the exquisite and dying culture of reading in JGU also received the prize for The Most Promising New Student Initiative award at University Day '16.

THE ENVIRONMENT SOCIETY

The Environment Society aims at making JGU, a green campus. We wish to initiate sustainable alternatives on campus to achieve our goal. In addition to that, we will be working towards creating a sense of awareness with respect to human impact on the environment and thereby change the attitude of students towards sustainability.

ACADEMIC WRITING SOCIETY

The Academic Writing Society (AWS) is established with the intention of promote quality academic writing amongst the students of JGU and to promote reform in the style of writing with a view to deliver publishable articles. The aim of AWS is to serve as a bridge between the ideas of the students and channel them by providing assistance in both style and substance. AWS will have specific days in a month when guided response will be handed to students registered with the AWS. The primary objective of AWS is to promote dialogue among key issues and cater to the ideas of students with a view to deliver publishable material.
