PSYCHOLOGY

B. A. (HONS.) & B.Sc. (HONS.)

O.P. Jindal Global University (JGU) is a non-profit, multi-disciplinary and research oriented university founded in 2009. JGU was established as a philanthropic initiative of its Founding Chancellor, Mr. Naveen Jindal in memory of his father, Mr. O.P. Jindal.

JGU has 16,000+ students, 1100+ full-time faculty members, and 2900+ administrative staff in its fully residential campus. JGU's twelve schools focus on Law, Business & Management, International Affairs, Public Policy, Liberal Arts & Humanities, Journalism, Design & Architecture, Banking & Finance, Environment & Sustainability, Psychology & Counselling, Languages & Literature and Public Health & Human Development. Over the last decade, JGU has grown into an institution that brings full-time faculty from 50+ countries in the world, students from 100+ countries and has collaborated with 575+ leading institutions in 80+ countries which makes the learning experience truly international.

JGU is ranked Number 1 in the world with the highest overall score amongst all universities and awarded 'Gold' by the Times Higher Education (THE) Online Learning Rankings 2024. JGU has been ranked as India's Number 1 Private University for three years in a row by the prestigious QS World University Rankings 2023. JGU has been recognised among the Top 150 universities globally under the age of 50 years by the QS Young University Rankings. JGU has also been recognised in the Top 500 Universities as per the QS Graduate Employability Rankings 2022.

The Jindal Global Law School, has retained its number one rank in India for six consecutive years and remains the only Indian law school listed in the Global Top 100 by the QS World University Rankings by Subject 2025. Furthermore, JGU holds the distinction of being India's top private university for Arts & Humanities and Politics & International Studies (within the Top 201-250 globally). It ranks among the top two private universities in India for Economics & Econometrics, among the top three private universities in India (Top 274 in the world) for Social Sciences & Management, and among the top six private universities in India for Business & Management Studies (Top 500 in the world) as per the QS World University Rankings by Subject 2025. In 2020, JGU was recognised as an 'Institution of Eminence' by the Ministry of Education, Government of India.

Message from the

Dean

*I*t is my immense pleasure to welcome you to the Jindal School of Psychology & Counselling (JSPC), situated on the beautiful and modern campus of O.P. Jindal Global University (JGU). The school is committed to providing a world-class education to our diverse and talented body of Undergraduate students via two degree programmes: B.A. (Hons.) and B.Sc. (Hons.).

During your time at JSPC you will receive the guidance, knowledge, and skills to excel in the psychological sciences.

Our faculty—composed of an intellectually vibrant group of scholars—aims to inspire hard work and achievement, both inside and outside the classroom. We employ experiential and goal-based learning strategies based on a curriculum informed by the latest theories and findings. This includes a wide-ranging series of foundational (core) courses that capture the diversity of psychology as an academic discipline.

A multi-disciplinary education is a must in the twenty-first century.

Hence, students can choose from hundreds of elective courses offered by all schools of JGU. In such manner, students gain a holistic academic experience. Beyond the classroom, real-world expertise is fostered by mandatory internships, providing students the opportunity to work alongside psychology professionals employed in government, hospitals, treatment centres, businesses, private institutions, and non-governmental organizations.

Various student mobility opportunities, including semester exchange and dual degree programmes, permit JSPC students to study and learn abroad. We have many collaborative agreements with premiere institutes of higher learning around the world—with more to come. These programmes enable students to discover new cultures, experience different styles of teaching, gain alternative perspectives on global issues, and impress future employers.

Lastly, the school emphasizes the importance of experimental research in undergraduate education. Students may work in various JGU research centres, including the JSPC-affiliated Emotion and Cognition Research Centre, the Centre for Neurodiversity Studies, or the Centre for Psychotherapy Research and Training.

A state-of-the-art Psychology Research Laboratory is available to students, with an assortment of modern neuropsychological equipment for studying the brain and behaviour, alongside ample space for student instruction and training. Our top students will also have the option to pursue a B.A. (Hons.) with Research or B.Sc. (Hons.) with Research Degree in their final year.

The mission of JSPC is to nurture and educate the next generation of thought leaders in psychology, counselling, and related fields. In that spirit, I urge you to take advantage of the disparate opportunities to grow and develop at JGU—personally, intellectually, and socially.

Good luck, and all the best in your future endeavours.

**PROF. (DR.)
DERICK HALL LINDQUIST**

Dean, Jindal School of
Psychology & Counselling

WHY ENROLL

@ JSPC

B.A. (HONS.) PSYCHOLOGY

B.Sc. (HONS.) PSYCHOLOGY

Jindal School of Psychology and Counselling (JSPC) is a research-led, future-oriented School focused on developing a new generation of thought leaders in the fields of Psychology and Counselling.

STUDENT BODY DIVERSITY *at* JSPC

ACADEMIC EVENTS, CLUBS & RESEARCH CENTRES

JSPC EVENTS

JSPC offers numerous seminars, workshops, and conferences each academic year, providing ample opportunity for students to learn and grow outside the classroom

- Faculty in the Spotlight:**
Monthly series of faculty research seminars.
- Bridging the Gap:**
Biannual student research presentations.
- Mental Health Week:**
Multi-day workshops on diverse mental health topics.
- International Happiness Day:**
Talks and workshops focused on mental well-being.
- Bharat Panchal Dialogues:**
Mental health series in collaboration with Fortis Mental Health Program.
- Summer School:**
Annual summer school for Indian high school students.

JSPC STUDENT CLUBS

MINDSCAPES

Mindscape focuses on normalizing human emotions via artistic approaches, including dance, theatre, music, painting, writing, photography, and meditation.

EMPATHIA

Empathia aims to create a supportive space for individuals to prioritize emotional well-being through practices of self-love and self-awareness.

MUDDY PAWS

Muddy Paws helps students to calm themselves by experiencing and expressing the power of creation that lies within each of us.

CIPHER

Cipher offers students an exciting platform to explore real-life criminal cases, criminal profiling, and decoding techniques.

LEGACIES

Legacies celebrates storytelling, performance, and psychology through theatre and dramatic expression. It's a space to explore human emotions, identities, and relationships while developing creativity and confidence.

ECOFUSION

Join EcoFusion to become part of the movement for a greener, more sustainable campus. Together, we aim to build an environmentally conscious community committed to protecting our planet's future.

JSPC RESEARCH CENTRES

Emotion & Cognition Psychology Research Centre: The centre seeks to better understand how emotion and cognition operate independently and interactively, focusing on research, assessment, and application. E-Cog investigates how emotions and cognition influence behavior, decision making, well-being, and other facets of the human psyche. It also promotes collaboration among JGU Research and provides research-anchored education for psychology students.

Centre for Neurodiversity Studies: The centre seeks to draw and develop multidisciplinary insights concerning the neurodiversity movement, an international civil rights effort embracing the concept of diverse brain function and cognitive traits. CNS aims to align itself and its prospective work with the neurodiversity movement in challenging the oppressive social norms, stigma, and rejection, whilst addressing empirical and contemporary concerns.

Centre for Psychotherapy Research & Training: Aagahii, meaning 'awareness' or 'enlightenment,' is a Centre for Psychotherapy Research and Training dedicated to advancing psychotherapy through research and professional development. Serving as a hub for collaboration among practitioners, researchers, and scholars, the Centre promotes intellectual engagement and discovery-based learning. Through its two primary pillars—Research and Training—Aagahii aims to foster the growth of socially responsible, skilled mental health professionals while deepening understanding in mental health and well-being.

PSYCH LABS @ JGU

PSYCHOLOGY RESEARCH LABORATORY

The Psychology Research Laboratory is intended to aid the research, assessment, and treatment capabilities of JGU student and faculty psychologists. To this end, researchers can utilize state-of-the-art psychophysiological equipment, including eye-tracking and EEG. The laboratory ensures JGU remains at the leading edge of the psychological and behavioural sciences in India.

BRAIN & BEHAVIOUR LABORATORY

The Brain & Behaviour laboratory provides a modern training space for all students of psychology at JGU. The laboratory has space for student instruction—providing ample opportunity for students to gain first hand training and understanding in experimental design and analysis. Such opportunities are unique in India, highlighting the premiere educational experience received by the students of JSPC.

JINDAL INSTITUTE OF BEHAVIOURAL SCIENCES

ESTABLISHED 2014

(Member of the ACUNS)

Academic Council on the United Nations System

Jindal Institute of Behavioural Sciences (JIBS) is a value-based research institute of O.P. Jindal Global University. It is a member of the prestigious ACUNS (The Academic Council on the United Nations System). JIBS is dedicated to understanding, developing and applying human process competencies through continuous experimentation, research and learning related to behavioural sciences. JIBS pursues and propagates fundamental research and innovation in understanding human behaviour. It works with top researchers from various disciplines, both locally and internationally, to address critical issues in human behaviour from a multidisciplinary perspective. At JIBS, we believe in active learning through a participatory approach to deal with academics, and planning of individual or community service needs. We engage in high quality research of social-psychological, bio-psychological and legal-psychological significance.

STUDY ABROAD *for* JSPC STUDENTS

JSPC Offers a range of international opportunities to facilitate personal growth and global networking.

Types of Student Mobility Programs:

- **Short Term Study Abroad Programmes:** Short-term study-abroad programs (STSAPs) are study courses that can last from 2 to 4 weeks and are offered to students interested in pursuing educational opportunities in other countries. These programs are specialized and ideal as an initial experience abroad.

Short term Study Abroad Programmes attended by our Students.

- **Semester Abroad Programmes:** The semester abroad program enables students to take-up relevant courses at partner institutions for one semester. It provides an opportunity for students to gain international learning and living experience, helping to enhance career opportunities in India and beyond.
- **Semester Exchange Programmes:** JSPC offers a geographically diverse and academically enriching variety of semester exchange programmes. We provide students with the opportunity to spend a semester abroad at one of our partner institutions spread across the globe. These exchanges offer each individual student something unique and remarkable to learn and bring back with them. The exchanges not only enrich students' lives in the academic and professional sphere, but also enhance language learning, intercultural skills, self-reliance, self-awareness, and a plethora of soft skills that are crucial in today's time

Dual Degree:

Dual Degree Opportunity allows the students to achieve an undergraduate degree in Psychology from a partner institution in addition to the Psychology Degree at JSPC without compromising the quality of education. Students get to obtain 2 degrees in a span of 4 years or less, thereby providing a considerable gain towards career development.

Master Progression:

Master Progression pathways are great opportunities for graduating students interested in pursuing higher education and employment opportunities in countries other than India. This collaboration provides students a guaranteed seat at partner universities as well as financial aid to achieve a postgraduate degree in Psychology from a partner institution in addition to the Psychology Degree at JSPC without compromising the quality of education. Additionally, master's progression pathway offers specialist guidance in the selection of appropriate courses and practical support to students for a smooth transition abroad

JGU STUDENT SOCIETIES

PSI: PSYCHOLOGICAL SOCIETY INITIATIVE

PSI aims to collectively raise awareness and enthusiasm regarding the significance of psychology among fellow students and the youth of India. Taking an active stance against stigmatization and busting the ignorance around psychology and mental health, PSI will spread awareness about mental health issues and provide a platform for the JGU community and beyond through active collaborations among the stakeholders—the students, educators, practitioners, and the community.

DEBATE SOCIETY

The adrenaline rush at the sight of a podium, the sheer love for arguing, the camaraderie within a team, the passion to learn and win, and the innumerable stories embedded in our memories with every passing debate, is what Jindal DebSoc promises to offer year after year.

HUMAN RIGHTS SOCIETY

This society over the years worked primarily through grassroots activism and spreading awareness about the systemic oppression faced by millions of people around the world. We've actively worked in areas of child labour and workers' rights. We brought Renegades - a rock concert with a cause, Monkey Speak - a free speech magazine facilitated by students, Bal Adhikar Sabha - a round-table conference on child rights, juvenile justice, Right to Education and advocacy for the rights of children with disabilities.

SOCIAL SERVICE SOCIETY

We are an open society that is committed to ensuring that as many people as possible can benefit from our privilege. Our initiatives include teaching children at the Balgram orphanage, the children of the Sodexo staff, and the children at the Rohat primary and secondary school. We also help the members of the Tulip labor colonies with their problems, and the members of the Rohat village with issues relating to governance.

THE ENVIRONMENT SOCIETY

The Environment Society aims at making JGU, a green campus. We wish to initiate sustainable alternatives on campus to achieve our goal. In addition to that, we will be working towards creating a sense of awareness with respect to human impact on the environment and

thereby change the attitude of students towards sustainability.

ACADEMIC WRITING SOCIETY

The Academic Writing Society (AWS) is established with the intention to promote quality academic writing amongst the students of JGU and to promote reform in the style of writing with a view to deliver publishable articles. AWS will have specific days in a month when guided response will be handed to students registered.

JGU SPORTS SOCIETY

The JGU Sports Society strives to inculcate a strong sporting spirit on campus. It works to promote the sporting culture and promote participation in various sports festivals throughout the country. The main objective of the society is to facilitate sportspersons on campus to achieve their full potential and to provide a recreational outlet for all students that lays outside a classroom.

JGU THEATRE SOCIETY

The JGU Theatre Society strives to make a change. The society combines the creative ideas and abilities of all its members to achieve maximum efficiency. Theatre is one of the higher cultural activities that marks us as imaginative and creative.

APERTURE, JINDAL PHOTOGRAPHY & VISUAL ARTS SOCIETY

JPVAS welcomes students of all ages and aptitude, with the society's current members including photographers from across a vast spectrum of ability, from amateurs to professionals. This has been setup with an aim to help one another, learn more about photography by meeting and discussing the art with like-minded individuals, developing practical photographic skills and techniques, discussing composition and others through practical sessions and critique sessions.

OTHER SOCIETIES

JGU has various societies and committees that are constantly planning events and activities which are meant for students to develop both in terms of the mind and the body. Some of these include Animal Welfare Society, Roctract Club, Performing Arts and Dance Societies.

AMENITIES & FACILITIES

University hall of residence for students consists of several blocks of buildings designed by a French Architect.

EDUCATION LOANS

In case of education loans, you may consider the following options:

SCHOLARSHIPS

O.P. Jindal Global University has announced the award of more than 2,000 scholarships to deserving students for the forthcoming academic year 2024-25. This transformative initiative is geared towards providing outstanding young talent with equal opportunities to access high-quality education. The decision to award these scholarships for the incoming batch of 2024-25 is to commemorate the special occasion of the 15th anniversary of JGU to be celebrated in 2024. This will empower more than 60% of the new students admitted in 2024 to receive these scholarships to study at JGU. With this announcement of scholarships for 2,000 students, JGU continues to ensure that these invaluable resources are accessible to exceptionally talented individuals, thereby enriching its academic community and fostering global excellence. The scholarships are to be awarded on merit-cum-means, following a transparent and holistic admissions process.

JGU also offers

**JINDAL 4TH YEAR
FELLOWSHIP
PROGRAMME**
for

students who wish to study Masters Programme abroad after graduation, where pre-requisite to such courses is 12+4 years of formal education.
