THE GLOBAL LIBRARY

The Global Library provides access to a wide range of information resources from around the world in various formats. Additionally, the library offers JGU researchers specialized tools, software, and platforms that help transform their curiosity into impactful scholarship. The Global Library enhances the global visibility and accessibility of research outputs by JGU scholars through the development and maintenance of interoperable platforms and technologies. These objectives are brought to life by the Global Library's dedicated team that connects people and ideas through targeted training programs, workshops, and services in both physical and virtual spaces. The Global Library has modern and spacious reading halls designed to facilitate study and research.

SPORTS FACILITIES

At O.P. Jindal Global University, we believe in the holistic development of our students, and sports and recreation play a vital role in achieving that goal. Our campus provides a wide range of sports facilities, enabling you to stay active, enhance your physical well-being, and pursue your passions. There are a range of well-maintained sports fields and courts, featuring a Cricket Ground illuminated by powerful floodlights, a spacious Football Field, a dedicated Hockey Field, multiple Basketball Courts, Tennis Courts, a Kabaddi, a Volleyball Court, and Badminton Courts.
